

BAFA CHOIR NEWS

BROKEN ARROW VOCAL MUSIC

We are so very excited to have you in the Broken Arrow Freshman Academy Choir program this year! You will work very hard, learn many new things, travel and bond with other students! There will be laughter, joy and sometimes even tears. You will want to quit at times, but the beautiful thing is that in the end, you will be so glad that you worked as hard as you did and overcame obstacles that in the heat of the emotion, seemed insurmountable! This year at the

Freshman Academy, Mr. Andrews and I will walk

with you and guide you as you learn how to manage your many responsibilities as performers, students, employees and patrons to society. We will push you to fulfill that amazing potential that we know you have! For questions regarding Women's Choral Union, Women's Chamber Choir, Tiger Catalyst Show Choir and Mixed Chamber Choir, please contact Mrs. Faber by email at sfaber@baschools.org. Feel free to contact Mr. Andrews by email at wandrews@baschools.org if you have questions regarding Men's Choral Union or Tiger Momentum Show Choir. Our remind information is posted above. Please take the time to text your child's class code to the number 81010 to get updates and announcements as well. Communication is key in a program this size and this will ensure that you have information as soon as possible! Please take time to look for the newsletter on brokenarrowchoir.com to stay updated!
